DECISION

This is a decision on the papers filed on 14 May 2007 which are treated as a renewed petition under 37 CFR 1.47(a).

BACKGROUND

On 20 March 2007, a decision dismissing applicants' petition under 37 CFR 1.47(a) was mailed. Applicants were given two months to respond.

On 14 May 2007, applicants filed the renewed petition which was accompanied by a declaration executed by all named inventors.

DISCUSSION

Applicants previously claimed that Mr. German P. Bekker refused to execute a declaration in the above-captioned application. As such, a petition under 37 CFR 1.47(a) was submitted.

In the renewed petition, applicants submitted a declaration executed by all the inventors including the nonsigning inventor, Mr. Bekker.

No further action on the petition under 37 CFR 1.47(a) is required.

CONCLUSION

For the reason discussed above, the petition under 37 CFR 1.47(a) is **DISMISSED** as **MOOT**.

Applicants have completed the requirements for acceptance under 35 U.S.C.
